BLOpens®

Kids love Blo pen's® as they can easily create fantastic pictures with amazing airbrush effects! Read through these instructions to get the best from this set.

Preparation

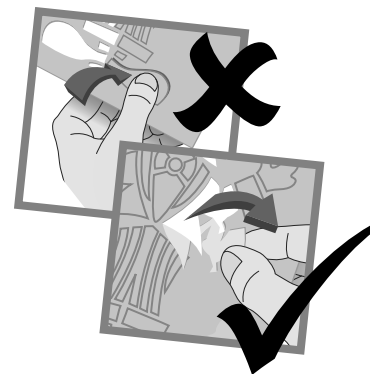

Cover the working area with some newspaper or similar, Blopens's® are not messy but the spray can drift beyond the stencils.

Take breaks between using the pens and avoid continuous blowing.

The caps are washable and interchangeable; they are completely safe for children to use, with non-toxic ink.

Prepare the Stencils

Remove the pieces from the stencils, get an adult to help. Use a pen or pencil tip to push the smallest pieces out first, any pieces that are stuck gently twist and pull out to avoid tearing.

How to use Blopens®

1. Blo pens® come with the cartridge in the storage position

2. Remove the mouth piece & cartridge, turn the cartridge around and insert as shown ensuring the tip is pushed fully into the end, replace the mouth piece.

3. Put the tip of the pen close to the paper and blow through the mouth piece.

4. IMPORTANT. To store repeat step 2 turning the cartridge back around to prevent drying out.

Use as shown.

How to create pictures

1.

Lay stencil onto paper.

2.

Choose & spray first colour.

3.

Choose & spray other colours.

4.

Remove stencil & add detail.

Blow in lines and circles as well as blowing harder and softer for different effects!

Use Blo pens to create unique pictures, you can use them as regular felt tips to draw shapes then spray to quickly fill in colour and create great airbrush effects!
