Information about the Magiccolour colouring sheets:

- There are a total of 30 different colouring sheets to use with Magiccolour.
- There are 20 standard colouring sheets – you can use pencils, crayons or pens to colour these in.
 - 16 of these sheets are single paper sheets.
 - 4 of these sheets are 3-piece sheets. These can be combined in different ways to create your own animations!
- Then there are 10 wipe-clean colouring sheets – please use the wipe-clean pens supplied to colour these in.
 - 7 of these sheets are single paper sheets.
 - 3 of these sheets are 3-piece sheets. These can be combined in different ways to create your own animations!
- These sheets have a shiny, gloss finish and are marked 'WIPECLEAN' along the left and right side edge of each sheet.
- Each of the wipe-clean pens has a small sponge at the end of the pen lid, to wipe away the wipe-clean pen colour from the wipe-clean sheet. (You can also use a dry cloth or tissue to do this too.)

How to use Magicolour:

1. Colour in your Magicolour sheet.

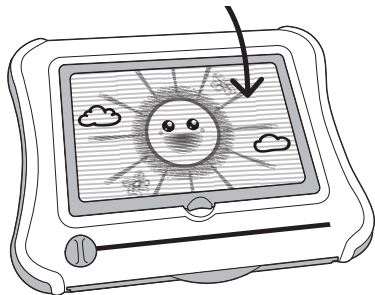

2. Lift up the screen by putting your finger in the groove at the centre of the bottom edge of the screen.

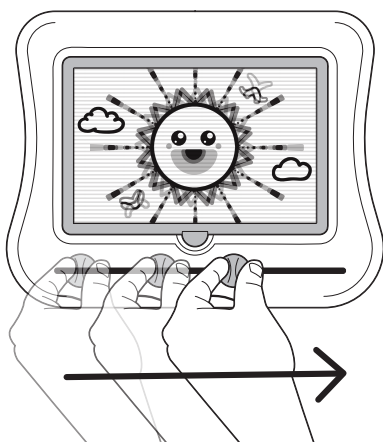

3. Slide the button to the right side then place the colouring sheet inside, lining it up with the 3 notches on each side of the inner part of Magicolour.

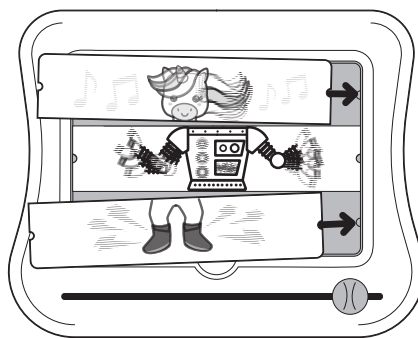

4. Close the screen so it snaps shut.

5. Slide the button from left to right to see the colouring sheet animate and come to life! Slide the button at a steady pace for the best results.

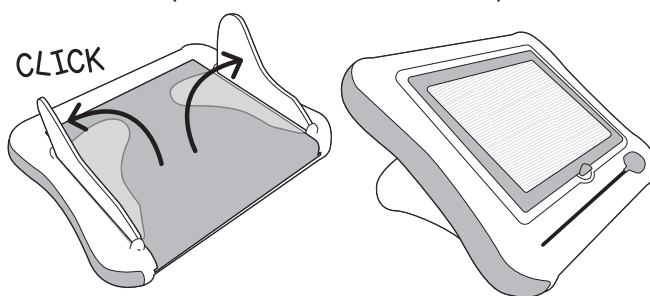

6. Use the 3-piece sheets to create your own unique mix and match animations! Line up each colouring sheet piece with the notches on each side of Magicolour's inner part.

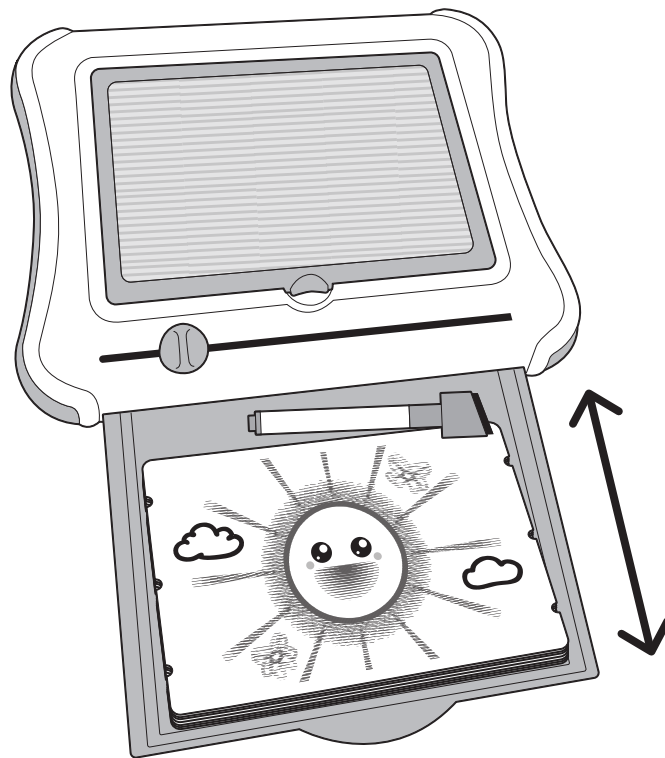

Extra points:

- On the underside of Magicolour, there are support stands which can angle Magicolour on a flat surface to show your animations.
- The stands open outwards and click into position.

- There is a drawer underneath Magicolour to store your colouring sheets and wipe-clean pens!

WARNING! Not suitable for children under 36 months. Choking hazard - contains small parts. Avoid skin contact with pen ink. Wash skin with soap and water to remove any incidental skin contact. Marker pens may stain, please protect clothes and the working area.
